

Turn Your Ruger® Pistol into a Match Weapon

FOR HUNTING, TARGET & SILHOUETTE

Ruger Extension Barrels

- Easy to install on your Ruger Standard Mark I & Mark II Pistols
- Button swaged rifling for unequaled accuracy
- All receivers are grooved for scopes
- Front and rear sights (adjustables available)
- 6½" to 12½" stainless steel barrels
- Barrel extensions are serialized and treated like a gun

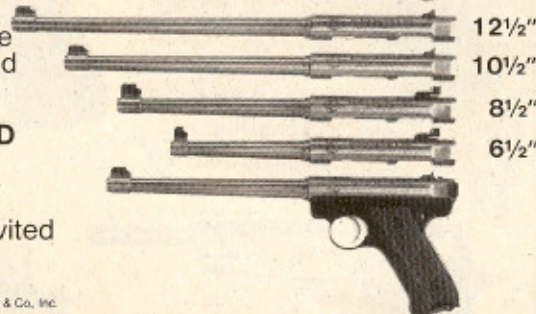

**MAY BE PURCHASED
