

TOTAL POWER

The unique new Auto Mag .44 semiautomatic pistol fires the most powerful loads ever used in a production pistol. It has all the features of autoloaders, plus big-game power and target accuracy. The Auto Mag looks modern because it is, the hunter who owns it has the best and most powerful field sidearm ever known. Handloaders can assemble superb loadings from easy-to-get .44 Magnum bullets and standard rifle cases. A wide variety of factory ammo will be available from Norma Precision Products.

Auto Mag is sold thru your local firearms dealer. Write to Auto Mag Corporation, P.O. Box 2468-D, Pasadena, California 91105 for brochure, and dealer nearest you. Legitimate F.F.L. dealers inquiries invited.
